

## COVID-19 Update: Future planning & sport relaunch

Volleyball WA would like to update the community on the easing of social distancing measures as outlined by the WA Government and how it affects the sport.

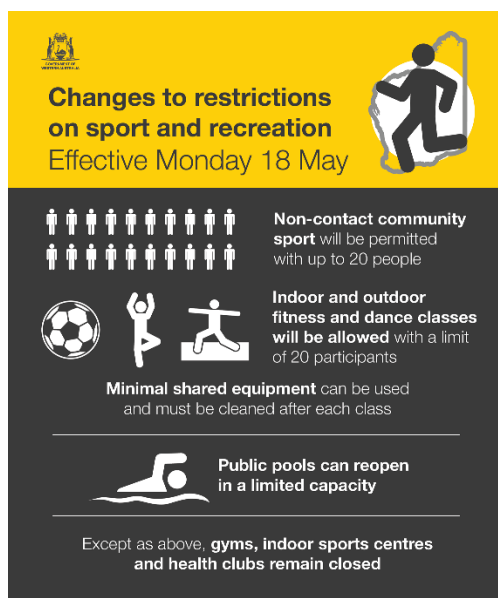

The WA Government announced on the weekend a roadmap to carefully ease COVID-19 restrictions. Volleyball WA is working to clarify and develop a corresponding roadmap for the sport's relaunch and will provide further information in the coming days.

The sport is in contact with the Department of Local Government, Sport and Cultural Industries, as well as the Minister's Office to establish clearer definitions and will provide these to the community once confirmed.

We appreciate the community's eagerness to get back out playing volleyball and ask for your patience as we work through the health requirements to do so. Please ensure that you do not initiate any activities that would be in breach of the latest information published by the WA Government.

Based on the information released so far, we would recommend all stakeholders review the WA Government's COVID-19 information page to help prepare for the relaunch of the sport. [CLICK HERE.](#)

**It's also important to note the upcoming changes to sport and recreation, will not come into effect until Monday the 18<sup>th</sup> of May.**

**Changes to restrictions on sport and recreation**  
Effective Monday 18 May

**Non-contact community sport** will be permitted with up to 20 people

**Indoor and outdoor fitness and dance classes** will be allowed with a limit of 20 participants

**Minimal shared equipment** can be used and must be cleaned after each class

**Public pools can reopen** in a limited capacity

Except as above, **gyms, indoor sports centres and health clubs remain closed**

Volleyball WA would also encourage downloading the [COVIDSafe app](#) as a further precaution before playing volleyball.
